Work in stockinette until the hat measures 5 1/2" from the cast on edge.

Reduce 10 stitches evenly around the hat. 80 stitches remain.

Begin reductions in the following manner, switching to double pointed needles as needed:

Round 1: *k2, k2tog* around. 60 stitches remain.

Round 2: Knit around.

Round 3: *k1, k2tog* around. 40 stitches remain.

Round 4: Knit around.

Round 5: k2tog around. 20 stitches remain.

Round 6: k2tog around. 10 stitches remain.

Cut the yarn, leaving a long tail. Thread the working yarn into the tapestry needle. Thread the yarn through the remaining stitches and remove the double pointed needles from the stitches.

Pull the yarn tightly to close up the top of the hat. Weave in the yarn on the wrong side of the hat and trim. Weave in tail of the cast on yarn on the wrong side of the hat and trim.
